### **Bible Society - Redcar Action Group - Bringing the Bible to Life**

I have just received a Literature Stand for the church to advertise the resources provided by the Bible Society.

In our country, where we comfortably meet to study the Bible in our Bible Study groups or privately, we take for granted the effect this has on our lives.

Yet, throughout the world, millions of people are discovering, for the first time, that the Bible can change their lives for good AND we can make this happen through the various Bible Society projects.

Please take one or two of these resources.

The demand for Bibles across the world is huge and the task needs our help.

For further information please see Lynn King
