**Zetland Park Methodist Church, The Crescent, Redcar, TS10 3AX**

At our General Church Meeting on 3rd June we only had time to report on some of the work that goes on in our church, due to the lack of time available on a Sunday morning.

So, in addition to what was mentioned perhaps we can also acknowledge:

- thanks for the £500 which was raised through the church for Christian Aid in May. As door-to-door collecting becomes more challenging fundraising through church activities becomes more important.
- thanks to the continued efforts of those that run the Sunday Squad on a weekly basis - numbers are not huge and it can be a real challenge at times. The two highlights for the church are the 'nativity' service before Christmas and the Sunday Squad anniversary which will fall in July. Both these events take a great deal of organising but are always enjoyed and appreciated by the church at large, so thanks are due.
- thanks for the tireless work of the Pastoral Visitors whose support, especially for those who are home or house bound, is such an important expression of the love of the church and the love of God. A couple more new Pastoral Visitors would be a real asset as those who do this important task are really stretched - contact Arthur or Jeanne for more details.
- thanks for the continued support of and for those who help with the Foodbank.
- we didn't thank the Stewards who served this last year and who are carrying on into the next year. Without their hard work, and the support others give them, our church would not run so smoothly.
- nor were thanks expressed to our organists without whom our worship would be very much the worse.

Probably there are others to add to these names and those who were mentioned in the meeting - even if you were not mentioned but you do something to help the church, thank you!

Blessings

Arthur

Over £500 was raised during Christian Aid week this year. Thank you to everyone who helped.

But please bear in mind that the preacher might not incorporate all the readings or might occasionally choose different ones that better suite their chosen theme.
