### Stories of Faith

In September the Methodist Church starts a Year of Testimony - or stories of faith.

As part of this the North East Region are producing a publication:

"50 Great Stories"

They are now urgently looking for contemporary stories of faith to include.

If you think you have one to share please do let one of the Circuit Ministers know - if chosen, help with writing it up could be made available.

This Summer several Teesside Churches are joining together to do a giant social action project in partnership with Stockton, Middlesbrough and Redcar Council. The project is called "**Serve Teesside**" and we are aiming to mobilise the Church of Teesside into unified action during the months of June and July.

Imagine over 1000 Christian's spreading out over Teesside to paint, litter pick, plant, clean and serve. Imagine doing under the banner of the unified Church in Teesside.

As Churches Together In Redcar we thought it would be great if we could co-ordinate a date to get stuck in together. As a result the date we're going to go for is **Saturday 13<sup>th</sup> July**.

Please let Ann know if this is something in which you would like to be involved.

## **Pentecost** (June 9th, this year)

the Christian festival which some call the birthday of the church!

When I was just a teenager my parents gave me one of the best presents I have ever received. It was a box of electronic components - a kit that I had to make up into an electrical multi-meter! It was just what a flourishing electrical engineer needed, but made much better by the fact that I had had to construct it first. It gave me a chance to do and to learn things which otherwise would be beyond me.

The Biblical account of Pentecost records the transformation of Jesus's followers on that day from a frightened group of people, who were hiding themselves away in fear for their lives, into a bold and confident group who spoke out against the actions of those who crucified Jesus and to testify to His resurrection. The Bible records some 3000 people came to faith that first day through the convincing words of the first Christians! Pentecost was the day when Jesus's followers took on, and continued, the work that Jesus had done during his time on earth, through showing the love of God and His desire for peace and justice in the world. The gift of the Holy Spirit was the power of God which transformed the disciples in such a dramatic way and enabled them to do so much more than they would ever have done on their own - it quite literally launched the church!

Over the many years since there have been many Christians who, with the same gift, have continued to speak equally powerfully and witnessed to the Resurrection of Jesus. Sometimes this has been at times of great persecution and cruelty when they have suffered brutality and even death for speaking out, as did some of the early Christians. But that same gift is available to every Christian!

The Holy Spirit is not a gift that just brings ease and comfort. It is a gift that makes us more like Jesus and more able to respond like He would, so as to make the world the better place God wants it to be.

Blessings,

Arthur
