Marriage and Relationships

The Methodist Conference that met in 2019 agreed that a wider consultation across the church should take place about various issues to do with relationships in general and marriage in particular. Though some would have you believe this is just about same-sex marriage, there are other issues which we are asked to consider including our attitude to co-habiting, qualities of good relationships and prayers for civil partnership and at the end of a marriage.

To allow this consultation to take place a workshop is being provided by the District in every Circuit using materials prepared by the Methodist Church (these can be found on the Methodist website for anyone who is interested). The date for our Circuit workshop is Monday 18 November starting at 7 pm at **Guisborough** Methodist Church. However, there will also be an event run by John Henry on Wednesday 6th November, at **Marske**, again starting at 7 pm.

As the church considers some really challenging issues within this area of marriage and relationships I invite you attend both these events and above all to hold the church in your prayers at this time. Revd Jonathan Hustler, Secretary of the Methodist Conference, has asked that we 'listen with friendship, care and grace' as we engage in these conversations.

Redcar Preachers' Monthly Bible Study

The next study group ... will be on November 21st at 14 Ely Crescent, starting at 7.30. We will be moving on to the new lectionary year and so looking at the following passages from Matthew's Gospel: 24:36-44, 3:1-12, 11:2-11, 1:18-25, 2:13-23.

June will be leading, please have a word with her if you would like a different sort of house group, or you have any requests.
